TRUST FUNDS.

Herewith is a statement of the Trust Funds in possession of the town and the disposition made of the same:

THE COL. THOMAS NESMITH FUND.

One thousand dollars was given to the town by Mr. Nesmith in May, 1871. This fund is invested in the Town of Windham, and six per cent. interest is paid annually for the purchase of books for the Nesmith Library.

GEORGE WILSON FUND

One thousand dollars was given to the town by Mr. Wilson, Jan 21, 1893, the income to be used in beautifying and fertilizing the cemetery on the hill. The fund was deposited in the Mechanics Bank of Nashua. In about three months after the deposit was made the bank was put into the hands of a receiver. Two dividends of 15 per cent. each and one of ten per cent. have since been paid by the bank, the balance still remaining, with the prospect of another small dividend in the future.

Mr. Wilson kindly supplemented his gift by sending a check in May, 1896, for five hundred dollars, to make good to the town the possible loss on the deposit. The \$500 is invested in the town of Windham.

DORA HASELTINE FUND.

Five hundred dollars was given to the town in May, 1896, by Dora Haseltine, and six per cent. interest to be paid annually for the care of the "Cemetery on the Plain." It is invested in the Town of Windham.

ARMSTRONG MEMORIAL FUND.

One thousand dollars was given to the town in 1889 by George W. Armstrong. The income to be used in and about the Armstrong Memorial Building.

The fund was invested in five shares of the capital stock of the Pullman Car Company. Quarterly dividends of ten dollars each have since been received. A report of the use of these dividends will be found in the report of the Treasurer of the Board of Library Trustees.

REPORT OF CEMETERY COMMITTEE

At the beginning of the year the cemeteries were placed under the care of John W. M. Worledge, who has merited the approval of all by the very efficient manner in which he has discharged his duties. The offer (mentioned in report of Cemetery Committee for 1892) of three dozen maple trees for setting outside roadside walls of both cemeteries has been made more than good. The trees were set in the early spring, and all made fine growth during the season. These trees were protected by wire enclosures.

Our plans for grading a second avenue in cemetery on the Plain failed through inability to procure help for doing the work. We propose doing this as early as possible in the spring. We also hope to relay the remaining portion of roadside wall at the cemetery on the Hill.

The committee gratefully acknowledge the receipt of the following legacies: From estate of the late Amelia J. Dinsmoor, one hundred dollars, for the perpetual care of her father's lot in cemetery on the IIill; from estate of the late Edward J. Parker, of Derry, one hundred dollars, for the perpetual care of the lot of his cousin, Achsah Hemphill, in old cemetery on the Plain; also a gift of fifty dollars, from Betsey T. Cochran, for perpetual care of her father's lot in cemetery on the Plain.

SCHOOL REPORT.

Seventeenth annual report of the School Board.

There has been thirty-two weeks of school kept during the past year—Spring term of twelve weeks, twenty weeks Fall and Winter terms, a vacation of one week at Thanksgiving. Schools in numbers two, four and six are still in session, lengthened by reason of the fund. Will be about the same number of weeks as in former years. Scholars in number two were conveyed to numbers one and six for Fall and Winter term. We have endeavored to procure good teachers for our schools. We regret to say that there are altogether too many tardinesses, dismissals and absences in some of our schools. Are not the parents largely responsibly for this? Parents would do well to send their children to school, rather than let them go. There is a difference in sending and letting children go to school.

Teachers employed during the year;

No. 1, Nellie S. Fletcher, Farmington, N. H., Spring term.

No. 1, Alice B. Boynton, Newburyport, Mass, Fall and Winter term.

No. 2, Emma M. Chase, Revere Mass., Spring term.

No. 3, Lena F. Pearson, Stratham, N. H., for year.

No. 4, Alice Sargent, Spring term.

No. 4, Hattie B. Woodbury, Salem, N. H., Fall and Winter term.

No. 5, Esther G. Payne, Derry, N. H., for year.

No. 6, Emily J. Bean, Derry, N. H., for year.

REPORT OF ANTIQUARIAN COMMITTEE.

Favors have been received during the year from Mrs. W. D. Cochran and Mrs. M. C. Page of this town, Miss Clarissa Hills of Nashua, Miss S. J. M. Ward of Lawrence, Mass., Mrs. Dora Dinsmore McClelland of New York, and Rev. Charles Cutler of Ohio.

We again invite donations of articles of historic interest, and especially photographic views (unmounted) of old homesteads and other places of interest in the town. Several such views have been promised.

We have expended .04 during the year (for postage), and now have on hand .31, with \$8 due from the town to draw upon if needed.

The Thirty-Second Annual Report

OF THE

TRUSTEES OF NESMITH LIBRARY

For the Year Ending February 15, 1903

The thanks of the Trustees are hereby extended to all who have favored the Library with gifts of pictures, books, magazines and papers.

It is not desired or expected that this report should be of an obituary character, and yet simple gratitude—to say nothing of any higher motive—constrained us a year ago to pay a tribute of respect to the memory of George W. Armstrong, Esq., by whose beneficence the Memorial Building was erected and presented to the town, as a home for the Library. This year we find ourselves under a like obligation to recognize the "passing on" of the Hon. Leonard A. Morrison, who has always been closely identified with the life and growth of the Library, and all that pertained to its wellbeing.

It is highly creditable to the late Mr. Armstrong that he wished the fact to be placed on record—in permanent form—that the Memorial building was erected and presented to the town "at the suggestion" of our lamented friend, Mr. Morrison. Now, if the donor of the building was willing and even anxious to have Mr. Morrison share the credit with him, surely the town cannot do less than place on record its high appreciation of his kind, thoughtful and wise "sugges-

tion." Let us gratefully remember him for the good he did.

Aside from the above fact there does not appear to be anything new or marked that calls for special note. The statistical table and other matters of interest are found in the Librarian's Report.

Respectfully submitted by

ALBERT WATSON,

For the Trustees.
